Test certificate

based on **FDA 21 FOOD AND DRUGS PART 177.2600**

„Rubber articles intended for repeated use (Revised 2016-04-01)“

Manufacturer: Semperit Technische Produkte GmbH
Product(s): Test plates
Material: A621
Test: FDA 21 177.2600 tests (e)

According to OFI test report No. 1700625 / 525 / 4H from 2017-05-09 the above mentioned materials were tested according to FDA 21 177.2600 tests (e).

The material named

„ A621 “

is according to the results obtained in the tests (OFI test report No. 1700625 / 525 / 4H from 2017-05-09) under the presumption that all specifications given by the producer are met useable for the production of rubber articles intended for repeated use with aqueous foods.

The validity of this test certificate ends with **2022-03-14** this under the presumption that no changes in the production or manufacturing process or the basic material are made, with the exception of routine adjustments; in case of changes in the relevant legislations and/or normative regulations, which require a new test on the product, this test certificate loses its validity.
