Test certificate based on BfR XXI

„Commodities based on Natural and Synthetic Rubber (Issue 2015-07-01)“

Manufacturer: Semperit Technische Produkte GmbH
Product(s): Test plates
Material: Elastomer „P 627 white“
Prüfung: BfR XXI category 2 with test medium water (chapter 2.2)

According to OFI test report No. 419.794/2H from 2016-10-17 the above mentioned materials were tested according to BfR XXI category 2 with test medium water (chapter 2.2).

The material named

„ P 627 white “

is according to the results obtained in the tests (OFI test report No. 419.794/2H from 2016-10-17) under the presumption that all specifications given by the producer are met useable for the production of commodities (articles and materials) that, when used as intended, come into contact with foodstuffs for no more than 24 hours.

The validity of this test certificate ends with 2021-10-12 – this under the presumption that no changes in the production or manufacturing process or the basic material are made, with the exception of routine adjustments; in case of changes in the relevant legislations and/or normative regulations, which require a new test on the product, this test certificate loses its validity.
